

**STORED MATERIALS AFFIDAVIT**

\_\_\_\_\_, being first duly sworn, in the city of \_\_\_\_\_ and State of \_\_\_\_\_, deposes and says he/she is \_\_\_\_\_ of \_\_\_\_\_ (the "Company") doing business at \_\_\_\_\_, a Subcontractor/Supplier under a certain Agreement dated \_\_\_\_\_, 202\_\_ in connection with \_\_\_\_\_ and that the materials listed in the attached Bill of Sale are now stored at \_\_\_\_\_.

The Company has clear marketable title to the materials and they are not subject to any security interest or encumbrance. The materials are stored in a safe and secure manner so as to preclude damage by the elements, theft, or vandalism. Stored materials are clearly marked and identified for subject project and located in an area separate from any other materials not included in this affidavit.

The materials are available now for inspection by the contractor and/or owner or their representatives.

The materials comply in all respect to the Plans and Specifications, and payment does not relieve the subcontractor of said responsibility.

The materials have been purchased and/or manufactured for the specific purpose of being used in the construction of the Facility and will be transported to the site at subcontractor's expense.

The material will remain on the premises until delivery to the Land, except in an emergency which threatens the materials. The undersigned makes this affidavit in order to induce contractor to pay for such material.

It is understood that the contractor, at its convenience, can acquire physical possession of subject material within (24) hours of written request given the subcontractor, notwithstanding any contractual relation.
